

## Year 2 Homework Project

To celebrate us starting of our Great Fire of London topic, the children are asked to make a Tudor house. We would love to make our own `Mini London` with the children's houses.

They can be made in any way you like, cardboard, cereal boxes, hay etc. The best possible materials are probably in your recycling boxes! There are a few pictures below for ideas.

The following link may be helpful to....although it doesn't need to be that fancy! <https://www.youtube.com/watch?v=vx3l8ebV0eY>

This will be the children's homework for the next couple of weeks. Please could all houses be brought into school by **Thursday 25<sup>th</sup> January**. Once all house are brought in, we will create our own GFoL spectacle.

Please keep houses to less than 30cm in height.
